# About Greenville

Greenville offers the modern amenities of a big city with warm, small-town charm, making this one of the friendliest places you will ever visit. Walking through the streets of Greenville, you will find a variety of places to gather with friends: local coffee shops, lounges, restaurants, art galleries, and parks.

Boasting a population of more than 90,000, Greenville is North Carolina's 10th-largest city. Less than a two-hour drive from North Carolina's state capital of Raleigh in one direction and the North Carolina beaches in the other direction, Greenville is a hub of educational, medical, cultural, and economic activity.

The state of North Carolina has something for everyone, from snow-covered mountains in the West to tranquil beaches in the East. Whether you're skiing in the Blue Ridge Mountains, dining at world-famous restaurants, or soaking in the sun at the Outer Banks, North Carolina has it all. Centrally located on the East Coast of the United States, midway between New York City and Miami, Greenville is only 440 kilometers from Washington, D.C.

## PirateID and Student Email

Your PirateID is your university username. You received your PirateID in your admission information. This username allows you access to systems such as university email and PiratePort, as well as network resources like WiFi once on campus. You need to activate your PirateID. Please navigate to [pirateid.ecu.edu](http://pirateid.ecu.edu) to complete the activation steps, including answering validation questions and creating a passphrase. For your security, multifactor authentication is required to access your ECU accounts. Please download the Microsoft Authenticator app for free onto your smartphone to avoid international text messages and related costs.

Once your PirateID is activated, you can access your ECU student email at [info.ecu.edu](mailto:info.ecu.edu), by connecting it to your smartphone's email app, or by downloading the Microsoft Outlook app. Most ECU faculty and staff will not email or respond to emails sent from non-ECU email addresses due to privacy laws in the United States. We recommend that you check your ECU student email at least once per week in the 90 days leading up to your first semester.

Your PirateID will also allow you to access the International Student Hub in Canvas. The International Student Hub is a living resource full of information useful for the entire time you are enrolled at ECU as an international student.

## PiratePort

PiratePort is the portal used to access many ECU resources, including your personal and contact information, class registration, your bills and tuition statements, on-campus housing, your academic progress toward graduation, and ECU's scholarship application portal. You can also go to the "My Information" section to update your preferred name and your pronouns. Your information is protected by the Family Educational Right and Privacy Act (FERPA). If you wish to share your information with your parent or guardian, please complete the Buckley Form within your PiratePort.

## Finances and Banking

You are strongly encouraged to open a checking account with a bank upon arrival in Greenville. With a checking account, you will receive a checkbook and an ATM card, which allows you to withdraw cash from your account 24 hours a day. It is recommended that you choose a national bank that offers an account with no monthly fee and no minimum balance requirements. When opening a banking account, be sure to bring your passport and SEVIS Form I-20 with you. After arrival, you will have the opportunity to sign up for a checking account that is tied to your ECU 1 Card through Wells Fargo Bank.

## University Tuition and Fees

ECU typically issues one bill for the fall (*autumn*) term (*August-December*), usually available in July, and one bill for the spring term (*January-May*) that is available in November. Your tuition and fees statement is available online through your PiratePort. Creation of your tuition bill is contingent upon your being registered for courses for the upcoming term.

### Methods of Payment

- 1. In Person:** This method involves cash and/or bank check(s) receipts by the ECU Cashier's Office by the prescribed due date for the total amount billed. We do not recommend carrying large sums of money while you travel.
- 2. Online:** Mastercard and Visa are accepted. All credit card payments will be assessed a convenience fee.
- 3. Wire Transfer:** Please plan for a waiting period of one (1) to two (2) weeks if you intend on wiring for \$10,000 USD or more in one wire transfer. This method is only intended for those who wish to pay their bill in one payment instead of over a payment plan. Please contact [international@ecu.edu](mailto:international@ecu.edu) for further details.
- 4. Installment Payment Plans:** ECU offers interest-free installment payment plans each fall and spring semester. An installment payment plan fee is due upon enrollment each semester. Visit [ecu.edu/cashier](http://ecu.edu/cashier) and select "Tuition Payment Plans" for more information. These must be paid by card and cannot be paid via wire transfer.

## Parent/Guardian Portal

If you would like your parent/guardian to have access to information about your tuition and fees, they can sign up for our Parent Portal at [ecu.campusesp.com](http://ecu.campusesp.com). Upon account creation, they can enter your ECU student email address to help you manage your tuition and fees and other FERPA-protected administrative student matters.

# Housing and Dining

Residential life in Greenville on or off ECU's campus has a lot to offer. First-year students and transfer students with less than 24 credit hours are required to live on campus. University transfer students with greater than 24 credit hours have the option to live on or off campus. Please contact [international@ecu.edu](mailto:international@ecu.edu) for potential exemptions.

## On-Campus Living

On-campus housing offers the convenience of easy access to classes, libraries, study and recreation areas, and special events. Living on campus provides the ideal university experience. For more information, please visit [campusliving.ecu.edu](http://campusliving.ecu.edu).

## Off-Campus Living

A variety of off-campus housing options can be found in the Greenville area, but you may have to stay in a hotel for a day or two before finding something suitable. Please plan to arrive early to allow time to seek accommodation before the beginning of the semester. This process may take several days of active searching. Usually, a security deposit of one month's rent is required plus the first month's rent at the time the contract is signed. Leases are normally one year in length. More information and a list of apartments can be found at [offcampushousing.ecu.edu](http://offcampushousing.ecu.edu).

## Dining Services

ECU Dining Services offers a variety of meal plans that include different amounts of meals in campus facilities, as well as "Purple Bucks." Meal plans are mandatory for students living on campus and are flexible. Commuter meal plans are also available for those living off campus who wish to save money when eating between classes. Meal plans are divided into three (3) parts:

- 1. Unlimited access to two (2) dining halls**
- 2. Purple Bucks:** Purple Bucks are extra funds that can be added to your student account for extra meals or dining facilities that are not included in your meal plan. They are attached to your ECU 1 Card and are accepted at all of our dining locations. You get some Purple Bucks included in your meal plan. These can be topped up if you are running low or run out during the term.
- 3. Pirate™ Meals:** Pirate Meals add variety to your meal plan by offering the ultimate convenience and value with combination meal options that can be exchanged as a swipe in our food courts and restaurants on campus without having to dip into your Purple Bucks. For a full list, please see [dining.ecu.edu/piratemeallist](http://dining.ecu.edu/piratemeallist).

Dining options on campus include two all-you-can-eat dining halls, Starbucks, Subway, Chick-fil-A, Panda Express, and many more. For off-campus choices, numerous restaurants in Greenville cater to a variety of palates. For more information on dining services, please visit [dining.ecu.edu](http://dining.ecu.edu).

### Living on Campus

Scan this code on your mobile device to learn more about our campus neighborhoods and halls.

## Academics

An academic advisor is a faculty or staff member in your college or major who assists you in choosing and registering for classes each semester. You can review a full list of academic advisors based on your college by visiting [advising.ecu.edu/advising-centers](http://advising.ecu.edu/advising-centers).

Advisors only accept emails from ECU email addresses. Do not use your personal email (Gmail, Yahoo, etc.). When communicating with your academic advisor, it is best practice to include your full name and Banner ID (B01...) number.

## Immunizations

All students attending East Carolina University must do the following:

- ✦ Provide the valid record of immunizations as explained below, and
- ✦ Fill out a Report of Medical History form by logging in to Online Student Health with their PirateID and password. Students are strongly encouraged to complete this form prior to arrival. Visit [ecu.medicatconnect.com](http://ecu.medicatconnect.com) for more information.

### College/University Vaccine Requirements and Number of Doses

Diphtheria, Tetanus, and/or Pertussis	2

If students do not meet immunization requirements and do not have a plan in place to be compliant with the requirements, dismissal from school is mandatory under North Carolina law.

## Health Insurance

Health insurance is a requirement for international students. An affordable student health insurance plan is provided, or you may elect to keep your current health insurance if you already have coverage that meets ECU's requirements. You must opt out of the ECU-provided health insurance at the beginning of the semester and provide proof of insurance. Please contact [studentinsurance@ecu.edu](mailto:studentinsurance@ecu.edu) with any questions.
