This pamphlet contains a brief summary of the features and benefits for insured participants covered under your school health insurance. This is not a contract of insurance. Coverage is provided under an insurance policy under which your school is a participating school. The policy is underwritten by 4 Ever Life International. Getting Care

Get care when you are in the U.S.

Student health center

Student health centers are a convenient healthcare option for basic health services. Consult your school's resources for more specific information about the care available to you, location(s) and hours. If you choose to receive care from your student health center, coinsurance, copayments and/or deductibles may be waived.

Finding a provider

If you need care outside of what is available from your institution, you also have access to the Blue Cross and Blue Shield network within the U.S., Puerto Rico, and U.S. Virgin Islands. To find a doctor or facility, visit the "Provider Finder" section in the Member Hub on www.geobluestudents.com or in the app.

Contact us for assistance:

- Toll free within the U.S. call 1.844.268.2686
- Outside the U.S. call +1.610.263.2847

Scheduling an appointment with a Blue Cross and Blue Shield provider

Call the provider to confirm they are in network and schedule your appointment. At the time of service, you will need to show the provider your GeoBlue ID card and tell them you are covered by Blue Cross and Blue Shield.

Using an out-of-network provider

This typically results in a higher coinsurance and may result in additional costs to you. If you receive care from an out-of-network provider, you may need to pay out of pocket and submit a claim for reimbursement. Click "How to File a Claim" in the Member Hub on www.geobluestudents.com to download the appropriate claim form. Submit claims electronically using the GeoBlue app or the "File an eClaim" link on the Member Hub.

Prescription benefits

Present your ID card at any participating pharmacy and you will be charged in accordance with your plan benefits.*

Paying for care - Glossary of terms

In the U.S., your health plan typically pays your medical bills for you with the following exceptions:

- **Copay or Copayment:** The specific dollar amount you will pay at the time of service.
- **Coinsurance:** The percentage of the cost you are responsible for.
- **Deductible:** An amount you are responsible to pay for eligible expenses before the plan begins to pay.
- **Out-of-Network Provider:** Medical provider who is not contracted with Blue Cross and Blue Shield companies. This typically results in a higher coinsurance and may result in additional costs to you.

See your Certificate of Coverage for details.

In the event of a medical emergency

If you have an emergency, dial 911 or go to the closest Emergency Room immediately. If you're not sure whether your situation is an emergency, dial 911 and let the call-taker determine if you need emergency help. Once you are safe, call the Medical Assistance phone number for 24/7 care located on the back of your ID card. We will then take the appropriate action to assist and monitor your medical care until the situation is resolved.

*Certain limitations and exclusions apply to your coverage under this plan and may affect your coverage. Your Certificate of Insurance is on file with your school and in the Member Hub on www.geobluestudents.com.
